BEAUTY • VALUE • SERVICE

SHAWNEE has the only RANCH - GROWN EVERGREENS in the entire area!

Deeper root systems maintain the "life-line" of moisture so Shawnee Ranch-Grown Evergreens can withstand drouth periods.

Fast, vigorous growth put Shawnee Ranch-Grown Evergreens weeks and months ahead of the long summer heat season.

Thick heavy foliage and sturdy trunk and limbs guard Shawnee Ranch - Grown Evergreens against killing frost and cold.

Redwood **OUTDOOR FURNITURE**

Perfect for Patio and Porch -- Lawn or Terrace

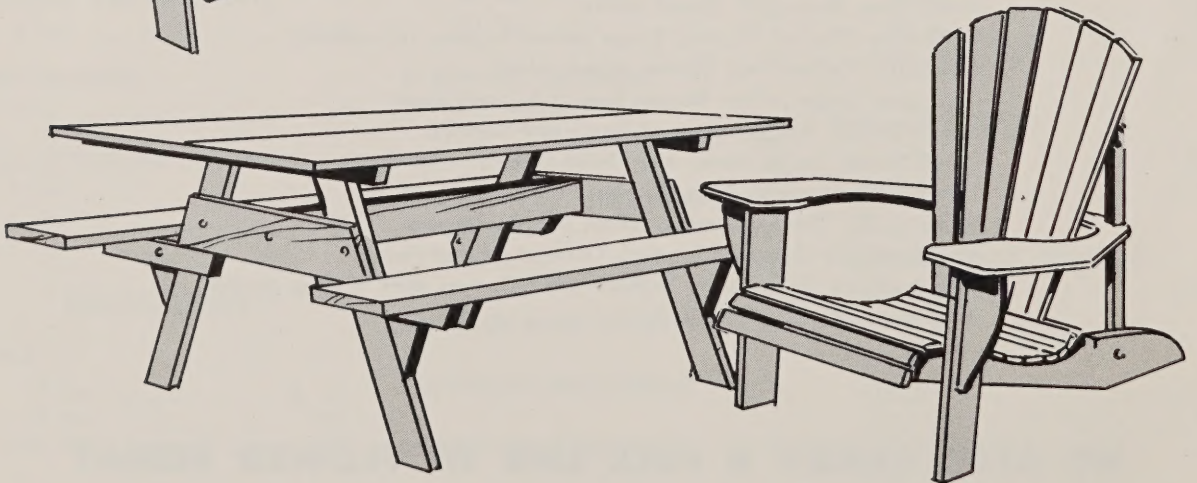

Real outdoor living starts right here. From California Redwood master designers have created the perfect outdoor furniture. An excitingly new complete patio setting which you can buy in sets or a piece at a time. And because it's Redwood — it'll last a lifetime!

Chairs feature "built-in" comfort — the secret is in the curved seat and back that fit the natural contours of the body. One moment spent relaxing in one of these chairs and you'll say this is comfort you didn't believe possible in lawn furniture.

Compare the structural strength with any other outdoor furniture. No nails are used anywhere in this construction. In fact, the entire chair is assembled with brass screws.

Our Redwood outdoor Furniture will mean more delightful outdoor living for you and your family.
